The Power of Performance

March 6, 2008

Black Hills Ammunition is pleased to announce we have established a strategic alliance with Elmer Arms LLC, of Pittsgrove, NJ to supply Black Hills Ammunition to the United States Nuclear Regulatory Commission (NRC) Security Forces for Nuclear Plants within the United States through 2012.

We are excited to have the opportunity to work with Elmer Arms LLC to provide the specialized armament packages necessary to securing Americas' vital nuclear facilities.
